State Street Grade Separation Project- Resolution of Necessity

Our Findings to be determined:

1. The public interest and necessity require the project described in the proposed Resolution of Necessity; to acquire property in the City of San Bernardino and in the Muscoy area of the County of San Bernardino.
2. The project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury;
3. The property sought to be acquired is necessary for the project;
4. Either an offer required by Section 7267.2 of the Government Code has been made to the owner or owners of record or the offer has not been made because the owner cannot be located with reasonable diligence.
